ABOUT MEIYAXIN

As the entrepreneurial spirits of an outdoor enthusiast and a band of furniture technicians crushed, MX(MEIYAXIN) was founded in 2009. We strive, evolve and solidify in a 350,000ft2 production plant with showroom spaces over 21,000ft2 located in Xingtian, Shunde – promoting 1.8M USD of monthly production capacity and enabling us to fulfill your demands efficiently. Craftmanship, innovation, teambuilder, creator of all – constantly growing yet potential.

That's MX. Built with belief.

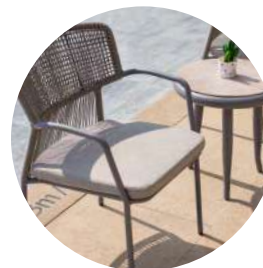

MX crafts modern pieces with comfort, durability, and the belief of encouraging real people-to-nature and people-to-people communications in mind. We introduce original collections with high functionality and a deep sense of elegance derived from a minimalistic approach.

We ain't complete without supports and satisfactions received worldwide and... from you. You aim high, and we stand by you – OEM/ODM, hospitality fulfillment, and customization consulting available. We invite you to join our journey of growth and to share your needs with us.
